*This form may be used for general evaluations of the speech projects in the Participants Workbook. However, each speaker should be assigned one evaluator who uses the appropriate evaluation form in the Participants Workbook.*

*To evaluate the speaker, review the manual project requirements before the speech. After the speech, complete this evaluation form and give it to the speaker. Also include specific suggestions for improvement.*

Was the speech well-prepared?

Did the speech have a definite opening, body, and conclusion?

Was the speaker's voice loud and clear?

Did the speaker use words that were simple, concrete, and vivid?

Did the speaker achieve his or her purpose?
