District 39 International Speech Contestant Advances to Semifinals

District 39 is excited to announce that Tuyen Le, our International Speech Winner has advanced to the Semifinals!

To celebrate this remarkable achievement, we are happy to share a special announcement from Chibwe Chungu, Division S Director and Joey Waldrop, Logistics Manager.

This is a significant achievement, reflecting his dedication, talent, and hard work. Tuyen will be representing District 39 at the prestigious International Speech Contest in Los Angeles from August 14 to 17, where he will compete against the best from around the world.

We are hosting a special send-off event to celebrate this remarkable milestone and to show our unwavering support for him as he embarks on this incredible journey. Join us for an evening filled with camaraderie, encouragement, and delightful refreshments. We'll gather on August 3, 2024, from 6:00 PM to 8:00 PM at Chibwe's home.

This is a fantastic opportunity to come together as a community, share in his success, and wish him all the best for the upcoming contest. Your presence will make the evening more memorable and provide the encouragement and positive energy he needs as he represents us on the international stage.

Let's make this a night to remember and show our contestant just how proud we are of his achievements. We look forward to seeing you there!

Blessings

Chibwe and Joey
